COMMENTS: Elizabeth Stokes, Treasurer for Steven Stokes, request a waiver and states the following: Although they had the paperwork in order they failed to upload on the correct day because they misunderstood the filing dates for the runoff. This combined with the stress of her husband's job situation with COVID was very overwhelming for her and she simply didn't read the dates correctly. She knows that the Ethics office is very accessible to her questions, but it was a particularly difficult month for her and her family and it just slipped through the cracks. Once she received paperwork stating that she made mistakes on previous filings, she had to go back and rework all the paperwork to be resent, and this caused more time to pass before she could upload.
